Overnight Open Thread – Friday Night Smackdown (genghis)

Item #1: Think you've got a stressful job? How does it stack up against [the job these guys had?](#) For most people, if you fall at work it'll most likely be out of your chair because you fell asleep at your desk. (Note: to get the slideshow to advance to the next pic hover your cursor over the right side of the current pic)

Thanks to PoconoJoe.

Item #2: Looking for a gift for that special moron? Next time you're in Washington D.C. be sure to stop by [My Obama Shop](#), located in Metro's Union Station.

From the Cato Institute, courtesy of Jubal Anderson Early.
