Quote of the Day: Or Maybe I Just Prefer Not to Be Spied On

By CHRISTOPHER DANZIG

They're heeere.

If you're concerned about it, maybe there's a reason we should be flying over you, right?

– *Douglas McDonald, director of special operations at **Unmanned Applications Institute International**, **defending** the domestic use of unmanned drones, which recently led to a 16-hour standoff between a farmer, his family, and **police** in **North Dakota**.*
