

## [Doug Bandow on Korean and Asian policy](#)

January 24th, 2011, 12:36 pm by [Brian Calle](#)

This interview, conducted by Alan Bock of the OC Register, is with the Cato Institute's Doug Bandow, who has written several books on foreign policy, including two on Korea. He discusses the real role of U.S. troops in South Korea and what, if anything the U.S. has to worry about given China's military buildup and expansion of its regional interests.
