See below for the offensive tweets by the “libertarian” Cato Institute’s Ilya Shapiro, who ran for the Falls Church School Board last year (getting 10.1% of the vote to finish sixth out of seven candidates). Also, for more on Shapiro, see [Would Conservative Cato Institute Mouthpiece Be Best Advocate for Falls Church City Kids?; A Candidate for Falls Church School Board Has Connections to the Koch Network. Objectively best pick for Biden is Sri Srinivasan, who is solid prog & v smart. Even has identity politics benefit of being first Asian (Indian) American. But alas doesn't fit into latest intersectionality hierarchy so we'll get lesser black woman. Thank heaven for small favors?

The right's obsession with pitting minorities against one another is pure distraction from the fact that white men are 30% of the population but 94% of SCOTUS justices. Their view is if Black/brown minorities fight each other, their own unjustly outsized role will go ignored. Smh

Reminder that Ilya Shapiro ran for School Board in a city where Biden got 81% of the vote

He gets 10% of the vote and finished 6th out of 7 candidates

Because Biden said he's only consider black women for SCOTUS, his nominee will always have an asterisk attached. Fitting that the Court takes up affirmative action next term.

Is Joe Biden racist and sexist for saying his Supreme Court nominee will be a black woman?
