CATO Institute economist says or at least implies that Nixon and Bush Jr. were two of the worse presidents of all time. The interview starts at the 5:45 into show.

Watch [Tuesday, April 3, 2012](#) on PBS. See more from [PBS NewsHour](#).

The Republican Party is no longer the party of the past. Not even Ronald Reagan would recognize it. The Cato economist makes some interesting comments about the size of government. But remember, that for the Cato Institute the federal government should do little more than run the military.
