## Cato's 27th Annual Monetary Conference

**Don Boudreaux**

The Cato Institute's 27th Annual Monetary Conference will be on November 19th. For obvious reasons, it will be an especially interesting and important one.

### Comments

The featured speakers are overwhelmingly monetarist. There was a recent debate regarding abolishing the Fed, @ Freedom Fest, Las Vegas. Tom Woods and Gene Epstein debated Warren Coates and John Fund on abolishing the Fed. It is available on YouTube.

*Issues to be discussed ... include:*

- *What is the future of monetary nationalism versus free-market monies?*
- *What is the Federal Reserve's exit strategy and is it credible?*
