Whole Foocy, Part II

Update on my earlier post, "[Whole Foocy](#):" Single Payer Action is [calling](#) for a consumer boycott of Whole Foods Market Inc. grocery stores in response to co-founder and CEO John Mackey's Wall Street Journal [guest editorial](#) on health-care reform. So are [several bloggers](#) at the Daily Kos; [Open Left](#) and many other lefty sites on the Web. The "[Boycott Whole Foods](#)" Facebook group has nearly 1,600 members (as of this posting).

UPDATE -- 5,102 Facebook members as of 8 p.m. Friday. ABC News reported on the boycott (included an allusion to Tom Monaghan, the founder of Domino's Pizza, whose prominence in the anti abortion movement prompted some to eschew his chewy pies. ABC reports what I'm also picking up -- that conservatives are urging one another to shop at Whole Foods in support of Mackey. [Here](#) and [here](#), for instance.
