

Buzz Cut: POWER UP

By [Chris Stirewalt](#)

December 04, 2013

Michael Cannon of the libertarian Cato Institute warned during a congressional hearing Tuesday, “There is one last thing to which the people can resort if the government does not respect the restraints that the constitution places on the government...**Abraham Lincoln** talked about our right to alter our government or our revolutionary right to overthrow it.”--*Watch Fox: Correspondent **Shannon Bream** considers how the current president and his predecessors have wielded executive power in light of the intent of the Founding Fathers.*
