

## **Healthcare Expert: Obama "Ignoring Laws" Could Lead To Overthrow Of Government**

MICHAEL CANNON, CATO INSTITUTE: "There is one last thing to which the people can resort if the government does not respect the restraints the Constitution places on the government. Abraham Lincoln talked about our right to alter our government, or our revolutionary right to overthrow it. That is certainly something that no one wants to contemplate but ... if the people come to believe that the government is no longer constrained by the laws then they will conclude that neither are they. That is why it is a very, very dangerous sort of thing for the president to do -- to wantonly ignore the laws and to try to impose obligations on people that the Legislature did not approve."
