Daniel Hannan warns America of creeping socialism in speech at the CATO Institute

Posted by [Jennifer Caballero](#) on Oct 3 2010 Filed under [News & Opinion](#), [Politics](#). You can follow any responses to this entry through the [RSS 2.0](#). You can leave a response or trackback to this entry

urges Americans to be mindful of all the attributes that made America great: federalism, the rule of law, and limited government. He warns that these characteristics that make America so unique, can be gone in a whim as it has in Europe. Hannan notes, as all of us do in the tea party movement, that the democrats are pushing us [towards a European-style socialism and we better make a difference in the upcoming elections.](#)
