## Pawlenty: 'I'm In'

May 22nd, 2011 at 11:57 pm  [FrumForum News](#) | [4 Comments](#) |

*The Washington Post* [reports](#):

Ahead of a planned announcement on Monday that he is going to run for the GOP nomination for president, former Minnesota governor Tim Pawlenty released “A Time for Truth” on his Web site and [YouTube](#).

Pawlenty is scheduled to be in Des Moines on Monday, beginning a week that will take him to Florida for a Facebook town hall meeting and Washington for an appearance at the Cato Institute.
