Rehabilitating Lochner Discussion Today, 4:00 pm EST

Posted by David Bernstein

I'm speaking about my new book *Rehabilitating Lochner* today at 4:00 p.m. EST at the Cato Institute, with comments by Louis Michael Seidman, Georgetown University Law Center, and Gregory E. Maggs, George Washington University School of Law. You can watch a live video feed at [this link](#). If you decide to tune in, I guarantee you will learn something new about *Lochner v. New York*, the liberty of contract doctrine, and their critics.
