Political scientist and Fox TV interviewer discuss media bias

by Andrew Gelman on July 21, 2011 · [2 comments](#)

in [Media](#)

See [here](#) for the story. Apparently an article from the Center for American Progress was attributed to Media Matters for America, and there was some confusion about whether a hypothetical Pepsi front group would deserve to join Media Matters and the Cato Institute as tax-exempt 501(c)(3) groups.
