Phil Valentine, Talk radio host

@ValentineShow

Don't worry. They're just watching you with drones. What could possibly happen?

...

Julian Sanchez, Research fellow at the Cato Institute

@Normative

Any time you read a legal defense of NSA program, ask: Then why did they do it WITHOUT court orders for like 4 years?

...

Robert Stacy McCain, Editor-in-chief ViralRead.com

@RSMcCain

MSNBC now discussing use of drones to patrol the border. They're against it. The border, that is.

...

Gabriella Hoffman, Conservative blogger

@Gabby_Hoffman

4.4 million people are patiently waiting to get citizenship. Why isn't Congress focusing on processing them?
