 The Week in Blogs: Should Obama Hit The Fiscal Meth? Plus, Running with Scissors, and for Senate (Oct. 2, 2010)

The Princess of Alaska wants her Senate Seat back. Think federal spending is out of control, wait until you see the Scary Ass Chart of the Week. Andrew Sullivan gets Glenn Beck all wrong, and people sound off on Obama's "Rolling Stone" interview. All this and more on The Week in Blogs with Stephen Green.

- Murkowski, Spectre, Crist....WTF over?
- Yog Sothoth - 2 days ago
- I could easily see a variety of Congress critters throwing similar hissy fits.
 - Stephen Green - 1 day ago
 - I *hope* to.
 - deiscient - 22 hours ago
 - I hope to see it soon here in MA-4 (Barney Fatman's district).
- darthIchristo - 2 days ago
- Epic on the crybaby. Sadly, that same thinking applies to the annointed patriarchs and matriarchs that constitute Our New Age Legislative Babyship, er, Leadership.
 - dea720 - 3 hours ago
 - nah darthIchristo, you had it right the first time babyship. Only thing I see is no caps, they deserve no respect, in their names, or titles.
- HollyLamb - 3 days ago
- Oh i loved that Lisa commercial, I hope that is running in Alaska often
