

Chick-Fil-A In Reverse

Walter Olson of the *Overlawyered* blog [draws attention](#) to a Chick Fil-A in reverse.

Wow. Del. Emmett Burns (D-Baltimore County), an opponent of same-sex marriage, fired off a letter to the owner [PDF] of the Baltimore Ravens on legislative stationery demanding that he silence Brendon Ayanbadejo, an outspoken marriage advocate. Pretty much every conservative commentator in America (properly) denounced the Boston mayor and Chicago alderman for menacing Chick-Fil-A. I hope some of them will speak up against this abuse of government office as well. [NBC Sports Pro Football Talk]
