Cato Institute Will Be Live Blogging Tonight in Response to Obama/ABC Health Care Infomercial

By [Brandon Martin](#)

If you're new here, you may want to subscribe to our [RSS feed](#). Thanks for visiting!

For those interested in live blogging and how it can be used for online advocacy, I wanted to pass on the following mass-invite from the Cato Institute's Chris Moody:

Tonight ABC News will broadcast "Prescription for America", a special report from the White House on President Obama's plan to revamp the nation's health care system. Cato scholars Michael D. Tanner and Michael F. Cannon will offer live commentary and analysis on Cato's blog when the program begins at 10:00 PM EST.

You can view the live-blog, and sign up for alerts on [Cato@Liberty](#).

Don't miss this opportunity to hear another voice in the health care debate.

For more Cato research on health care reform, visit [Healthcare.Cato.org](#).

Click [here](#) for the link to [Cato@Liberty](#) for tonight's live response to the Obama/ABC health care infomercial:
