Quote For The Day

“I can’t name a single Romney foreign policy adviser who believes the Iraq War was a mistake. Two-thirds of the American people do believe the Iraq War was a mistake. So he has willingly chosen to align himself with that one-third of the population right out of the gate,” - [Christopher Preble](#), Cato Institute. Ari Berman has the staffing details to prove it. You want a reprise of Bush-Cheney? You know who to vote for.
