by [John Phillip Sousa](#) on Wed, 01/25/2012

Thank you CATO for taking the time to make this much needed video, dissecting this epic charade!! I couldn't bare to watch Obama last night-so I didn't. Plus, I knew there would be plenty of coverage today. I can't imagine this not being one of the top two, the other being Dr. Paul's.

BTW. Great shot of Kerry's shiners! Lol

You'll be glad you watched this:
