Last year the Cato Institute released their Fiscal Policy Report Card, giving former Gov. [Joe Manchin](#) ^[2] an A and giving his Senate campaign against Republican [John Raese](#) ^[3] a much-needed boost.

In this video from [Reason.tv](#) ^[4], [Nick Gillespie](#) ^[5] interviews Chris Edwards, the [CATO Institute](#) ^[6]'s director of tax policy studies and author of the report. Together they take a look back at Sen. Manchin's tenure as West Virginia's governor, as well as the other governors who made the A-team.
