Why President Donald Trump Won The 2016 Election? This One Poll Result Shows The Real Thing
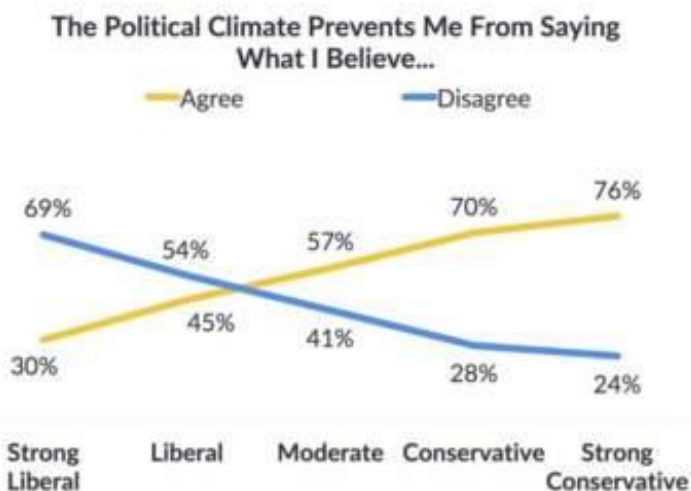

Rohan Sharma

November 1, 2017

At this time, most of the Americans are discussing a very common question, **Why President Donald Trump Won The 2016 Election?** CATO Institute conducted a new survey, titled "The State of Free Speech and Tolerance in America" in which it clearly demonstrates the reason behind Donald Trump's victory.

According to the poll, 71% of Americans believe that political correctness has done more to silence important discussions our society needs to have and only 28% of Americans think that political correctness has done more to help people avoid offending others.

FREEDOM OF FREE SPEECH IN THE UNITED STATES OF AMERICA

The poll further states that 58% of Americans believe the political climate today prevents them from saying things they believe. 53% of Democrats do not feel the need to self-censor. 73% of Republicans say they keep some political beliefs to themselves.

HATE SPEECH IS MORALLY UNACCEPTABLE IN THE US

Americans Oppose Hate Speech Laws, But Say Hate Speech is Morally Unacceptable
