### **The Senate's SOPA Counterattack?: Cybersecurity the Undoing of Privacy**

*Congress seems poised once again to violate the rule from the SOPA/PIPA disaster: "First, do no harm to the Internet."*

Some good perspectives from Jim Harper at Cato

### **The Senate's SOPA Counterattack?: Cybersecurity the Undoing of Privacy**

The Daily Caller reports that Senator Harry Reid (D-NV) is planning another effort at Internet regulation---right on the heels of the SOPA/PIPA debacle. The article seems calculated to insinuate that ...
