

City Council

By: Stiofain Mac Gael – April 24, 2013

The Heritage Foundation , one of the most rightwing organizations, next to the CATO Institute, was brought in to advise the City Council.

Not the American CIVIL LIBERTIES Union. The next time is Mayor Bland going to invite Bill O'Reilly and Glenn Beck? Who paid for this outside lawyer? What was wrong with our city attorney (who's already on the payroll)?
