DAN MITCHELL: **If the Auto Bailout Was a Success, I'd Hate to See What a Failure Looks Like.**

Related: [How The GM Bailout Turned Into Foreign Aid](#). "With more losses and expenses coming, taxpayers can expect to see their investment in GM's North American operations continue to support a steady flow of cash to GM's overseas operations. Perhaps taxpayers should have been told that they weren't simply bailing out an American automaker, but a variety of overseas operations as well."
