## **Federal aid fuels exploding college costs**

December 9, 2011 By [Joanne](#) [Leave a Comment](#)

Education Secretary Arne [Duncan is dead wrong on how to control college costs](#), argues [Cato](#)'s Neal McCluskey.

To a system blackout-drunk on taxpayer money, the Obama administration would deliver even more booze while only whispering about tough love.

A libertarian, McCluskey is the author of [How Much Ivory Does This Tower Need?](#) I love the title.
