Regional over view Mid-Atlantic

NY, NY the naked cowboy is longing to be mayor. If this doesn't make a joke out of Mayor Bloomberg's reprieve on term limits to bring more choices, nothing will. Opposes third term change for Bloomberg. He says he don't want to be a dic-tator. I don't know how much the mayor has too worry about. NY tend to have trouble voting for cowboys who want to cut taxes.

In Pennsylvania, the unemployment rate is 8.3% but there are concerns about the many who will come to the end of benefits in the next few weeks in a state that is still shedding jobs. The Senate race is tightening with Toomey in a statistical dead heat with Specter and leading Sastek. [Green Jobs Stimulus money](#) is coming to Delaware and Pennsylvania.

National Debt Clock

\$11,642,447,455,990
