# The CATO Institute's Robert Levy on Big Government

Thu, 04/07/2011 - 5:27pm | posted by Brett Bittner

Last night, Jason and I were able to attend the inaugural "An Evening With FEE" in Atlanta. The evening's special guest was Robert Levy, senior legal scholar in constitutional studies and chairman of the board of directors at Cato Institute, who addressed some of the Supreme Court cases that radically grew the size and scope of government, as well as eroded freedom.

This video is about 40 minutes long, but certainly worth every second.
