

## *\*Cato Papers on Public Policy\**

by Tyler Cowen  
January 31, 2012

It is [a new journal](#), edited by Jeffrey Miron, summary:

This new publication is an annual volume of innovative, original articles on current and critical economic and public policy issues. Each article is written by a recognized national expert, most often a senior member of a prestigious university. The overarching goal of the publication is to provide in-depth, imaginative new research on key economic and public policy matters combined with a range of potential improvements and solutions.

The cloth version is \$15, \$6.99 for the eBook version. At the link you will find the first table of contents, I have not yet read any of my copy.
