ECONOMY

See who's really to blame for economy

Hear ye, hear ye, hear ye. Conservative Cato Institute tells the truth about who really is responsible for this economy, deficits and Bush's stock market crash of October 2008 — caused by that bubble burst from unregulated Wall Street and the megabanks. See <http://www.cato-at-liberty.org/dont-blame-obama-for-bushs-2009-deficit/>.
