## Costs of Tax Compliance

*March 8th, 2011 · [No Comments](#)*

In a post entitled [Another Way to Cut Taxes: Hamstring the IRS](#) Jim Maule blogged about what he thinks is the idiocy of cutting IRS funding. I responded in a blog post entitled [Professor Maule Says Conservatives Who Oppose IRS Funding Want to Take Down Government](#).

Now comes [Daniel J. Mitchell](#) of the Cato Institute and gives an even better argument for reducing the size and power of the largest bureaucracy in the known world.

Here is a podcast from Center for Freedom and Prosperity included in Mitchell's post:
