

The New York Times

Sunday Breakfast Menu, Aug. 11

By: Emmarie Huetteman - August 10, 2013

Jerry Howard, chief executive of the National Association of Homebuilders, and **Mark A. Calabria**, director of financial regulation studies at the Cato Institute, will appear on Bloomberg's "Capitol Gains" to debate the government's role in housing. Also on the program, which airs at noon Eastern, will be **Alex Stamos**, chief technology officer at Artemis Internet Inc. Mr. Stamos will discuss the dilemma among hackers over working with the intelligence community in the wake of the case of Mr. Snowden.
