[P.J. O'Rourke on the Obamamobile](#)

June 16th, 2009, 3:17 pm · [2 Comments](#) · posted by [Alan Bock](#), Register editorial writer

Here's a fun video of author/humorist P.J. O'Rourke at the Cato Institute celebrating the American automobile as it lies on its deathbed and speculating on the shape and characteristics of the government-approved Obamamobile to come. P.J. has a new book, "Driving Like Crazy," out.

Would someone explain to me why, if you have a company that you want to rebuild, you would hire someone that has no background in business, finance, or engineering? This Brian Deese that President Obama picked graduated college with a Political Science degree for heaven's sake!!!

I am looking forward to reading P.J O'roure's new book. I have always enjoyed his political satire, which has always hit close to the truth, and funnier to handle.
