

## Watch Livestream of Cybersecurity Event Featuring CEI Analyst

*by NICOLE CIANDELLA on MAY 9, 2012*

The Cato Institute is hosting a policy discussion at noon today on “[Federal Cyber-Security Regulation: Critical Safety Measure, or Privacy Nightmare?](#)” The event features remarks by CEI Associate Director of Technology Studies [Ryan Radia](#), who recently spearheaded a free market coalition effort opposing the Cyber Intelligence Sharing and Protection Act (CISPA).

You can watch the event live at noon at <http://www.cato.org/live/>.
