Question: Can you suggest some quality books that examine some of today's political issues through a libertarian philosophy?

Answer: The best one I can think of is Judge Andrew Napolitano's *Lies the Government Told You, Myth, Power, and Deception in American History* (Thomas Nelson, 2010). Also, Tom G. Palmer's *Realizing Freedom* (Cato Institute, 2009). One may also gain some insights from my own *Libertarianism Defended* (Ashgate, 2007) and *Neither Left nor Right* (Hoover Institution Press, 2006).
