Sunday Morning Quotation – Bill Niskanen on Protectionism and Rent Seeking

October 30, 2011 by [Grover Cleveland](#)

“A common commitment to refrain from special favors serves the same economic function as a common commitment to refrain from stealing.”

Sounds like a fellow Pilei to me!

This provocative quotation from his piece on [Reaganomics](#) came in a close second:

“The Reagan economic program led to a substantial improvement in economic conditions, but there was no ‘Reagan revolution.’”
