**AND WE END ON A HAPPY NOTE** – The Cato Institute’s Michael Cannon is the proud new papa of twins born on Sunday. We saw the news on Twitter and asked Cannon to fill in PULSE readers. He writes: “We are pleased to announce the arrival of Quinn Christopher Cannon (3:29pm; 6lbs, 10oz; 19.75”) and Clare Eileen Cannon (3:43pm; 6lbs, 3oz; 19.25”). Mother and babies are doing well.”
