On today's edition of [Coffee and Markets](#), Brad Jackson and Francis Cianfrocca are joined by Daniel Mitchell, to discuss Herman Cain's 9-9-9 plan, the pitfalls of instituting a national sales tax, and the reality that 9-9-9 will probably end up more like 12-12-12.

We're brought to you as always by [BigGovernment](#) and [Stephen Clouse and Associates](#). If you'd like to email us, you can do so at [coffee\[at\]newledger.com](mailto:coffee[at]newledger.com). We hope you enjoy the show.
