

## Watch "Advancing Age," Award-Winning Comic Short by ReasonTV's Meredith Bragg

*Nick Gillespie* | May 26, 2012

---

Showcasing the talents of [ReasonTV](#) managing editor [Meredith Bragg](#) and his brother [Austin Bragg](#) (currently back working at the [Cato Institute](#) after a stint with Reason as well), this short film "Advancing Age" won top honors at The 48 Hour Film Festival held recently in Washington, DC in the "thriller/suspense" category. For more info on the contest, where teams rush to produce a complete short project from conception to execution in just two days, [go here](#).

And for more work by the Bragg brothers (and their talented co-conspirators), check out [their YouTube channel for The Big Honkin'](#) now (channel contains full run of cult favorite Defenders of Stan and much more).
