## Internet Censorship Is the Wrong Answer to Online Piracy

December 12, 2011, 9:00am

### Internet Censorship Is the Wrong Answer to Onll...

Julian Sanchez  
Research Fellow

CAIO INSTITUTE

YouTube

catoinstitutevideo on Dec 12, 2011

Internet censorship is not the answer to problems of piracy online. Cato Institute research fellow Julian Sanchez explains that internet censorship won't effectively address the problem of piracy and will threaten innovation and the liberties of Americans by engaging in unconstitutional prior restraint.

Video produced by Caleb Brown, Austin Bragg and Julian Sanchez.
