On today's edition of [Coffee and Markets](#), Pejman Yousefzadeh and Kevin Holtzberry are joined by Walter Olson to discuss his book detailing the need to reform the legal community in the United States, from the legal education industry, to the practice of law itself.

We're brought to you as always by [BigGovernment](#) and [Stephen Clouse and Associates](#). If you'd like to email us, you can do so at [coffee\[at\]newledger.com](mailto:coffee[at]newledger.com). We hope you enjoy the show.
