## A Quick Koch vs. Cato Comment

Ilya Somin • March 24, 2012 2:22 am

I don't have time right now to say anything in-depth about the latest developments ongoing Cato Institute vs. Koch conflict. And, in any event, my view of the situation has not changed: I still think that all concerned would be better off if the Kochs were willing to drop their suit. But for those who may be interested, I largely agree with [co-blogger Jonathan Adler's](#) take on both the Kochs' most recent statement and the dispute as a whole.
