## Me and Kim Kardashian

[John Elwood](#) • November 16, 2011 6:30 pm

Because of the press of business at my day job, I've had less than usual worth saying recently. In fact, I haven't posted in months.

But all that blood, toil, tears, and sweat have at least done some good, because yesterday my work was mentioned alongside news that *really matters*. An [amicus brief](#) I did for the Cato Institute, Center for Democracy & Technology, Electronic Frontier Foundation, Public Knowledge, and TechFreedom in the upcoming [FCC v. Fox Television Stations](#) was mentioned in the Hollywood Reporter yesterday in its Hollywood Docket [feature](#) that included a story on Kim Kardashian.

The brief made paragraphs 1 and 2 of the article; Kim wasn't mentioned until paragraph 6, and yet somehow she is the one who got the [photo](#) that ran in the article. Harrumph.
