

[William Niskanen Dead at 78](#)

(Posted on [Outside the Beltway](#) at Wed, Oct 26, 2011 at 07:48PM)

William Niskanen, one of the key architects of Ronald Reagan's economic policies and longtime chairman of the Cato Institute, has died. He was 78. Oddly, while the news is all over Twitter, his Cato colleague Chris Edwards' personal reflection is the only news item I'm seeing: We were all saddened to ([visit source article](#))
