Barack Obama, our CEO-in-chief has decided that companies which received the most bailout money will be forced to cut executive pay by 90%. Aren't you glad we have our imperial federal government to tell us how to run things now?

Yes, Mr. President: [A Free Market Can Fix Health Care](#).

The government option is coming, folks. [And here's how the Democrats are going to achieve it](#).

House Democrats are looking at [re-branding the government health insurance option as Medicare](#). Because if you don't call it a government takeover of healthcare, our government-educated dumbmasses will be too ignorant to know the difference!

Harry Reid is upset because [efforts to pass his "doc fix" failed](#) .. and it is all the fault of those Republicans!

Okay, I'm ready for the "I'm never going to listen to you again" emails ... would conservatism be better off if women didn't vote? [I think you know where this is going](#).

Seven months after passing the economic stimulus bill - that was supposed to create or save 3.5 million jobs over the next two years - [49 out of 50 states have actually lost jobs](#).

Well this is interesting ... Politico says that [Matt Drudge is responsible for the decline of the dollar](#). Man, politicians would KILL for that kind of influence.

You mean to tell me that the government bailout program is going to end up [costing the taxpayers more than its initial \\$700 billion](#)? Gee, color me surprised.

The third-ranking Republican in the Senate says the Obama administration is [launching a Richard Nixon-like political strategy](#) of making an "enemies list" of people who disagree with the president.

God help our men and women in uniform ... the White House says that it is [exploring a "larger role" for John Kerry in Afghanistan](#).

[How much is a trillion dollars?](#)

Rape: [a preexisting condition?](#)
