[A Democrat's case for opposing Obama Care](#)

March 18th, 2010 | by Brian Schwartz |

Michael Cannon at [Cato](#) pulls some choice quotes from David Goldhill's piece in the Huffington Post, includes a video of Goldhill interviewed by Cato, and links to Goldhill's eye-opening *Atlantic Monthly* [article](#). Check it out at Cato-at-Liberty: [David Goldhill: "A Democrat's Case For 'No'"](#).

My short take on Goldhill's Atlantic Monthly article: His diagnosis of what's wrong with health "insurance" in the U.S. is correct, but his reform proposals are not.

For a [summary of arguments against Obama Care](#) and specifically the [Senate Bill](#), see my post from earlier this week:
