## Podcast: Talking Healthcare With The Cato Institute's Michael Cannon

Thu, 03/04/2010 - 11:15am | posted by United Liberty Staff

In a special podcast, Jason discusses the latest details of healthcare reform with Michael Cannon, the director of health policy studies at The Cato Institute and the co-author of *Healthy Competition: What's Holding Back Health Care and How To Free It*.

Their discussion includes the use of reconciliation to pass the latest healthcare reform bill and the hurdles that procedure faces, the bill's cost and new taxes, and health savings accounts (HSAs).

You can download the podcast [here](#). The always lovely Aimee Allen graces us with "Silence is Violence" in the music that opens the interview.
