Explaining the Science of Everyday Life

MARCH 15, 2010, 2:15 PM

What We're Reading...

By *CATHERINE RAMPELL*

- Some states may [hold onto your tax refunds](#) for a few months because they are running out of cash.
- Women are [more risk-averse](#) investors than men. [But getting married](#) appears to give women a bigger appetite for risk — unless they work.
- A new Cato Institute [report](#) argues that public schools in major metro areas are spending 44 percent more per pupil than they say they do.
- If you include health insurance in addition to income, the [inequality picture](#) doesn't look quite as bad, a new study finds.
- A [review of three books](#) that try to explain the credit default swaps through stories from the financial crisis.
