## Obamanomics

"Conservative muckraking at its best ... an indispensable field guide to the Obama years."

-Columnist Jonah Goldberg

"Every libertarian and free-market conservative who still believes that large corporations are trusted allies needs to read this book, as does every well-meaning liberal who believes that expansions of the welfare-regulatory state are done to benefit the common people."

-Congressman Ron Paul

"This meticulously researched book is a must-read for anyone who wants to understand how Washington really works."

-David Freddoso, best-selling author of *The Case Against Barack Obama*

## Big Business, Big Government, and Libertarian Populism

The Cato Institute has posted online a paper titled "[Big Business, Big Government, and Libertarian Populism](#)," which is really a distillation of my book event at Cato for Obamanomics.

Below is the video of this event, and [here is a podcast](#) I recorded afterwards.

## ABOUT ME

I am the Lobbying Editor and a columnist at the [Washington Examiner](#). My new book: [Obamanomics: How Barack Obama Bankrupts You and Enriches His Wall Street Friends, Corporate Lobbyists, and Union Bosses](#) is now on sale. I am also the author of the 2006 book, [The Big Ripoff: How Big Business and Big Government Steal Your Money](#) (Wiley).
