- Big, bulky shopping news: Kwame Brown says Costco has, after all these years, "reached an agreement to open a store in the planned Fort Lincoln development." Let's get ready to overbuy! [[D.C. Wire](#)]
- Pardon us if we can't stop raising our eyebrows: the Washington Post's Metro desk is actually going to start *linking to other news outlets*? Color us stunned. [[City Desk](#)]
- Big congrats to the Watkins Hornets Pee Wee football team, which is headed to Florida to play for a National Championship in the Pee Wee Super Bowl. [[Tommywells.org](#)]
- Details on the expansion and renovation planned at the Cato Institute's headquarters on Mass Ave. [[DCmud](#)]
- Jim Graham says drug dealers from other D.C. neighborhoods and Maryland have been invading Northwest Columbia Heights. [[grahamone.com](#)]
