Surging compensation for federal employees

Posted by [George Leef](#) at 11:40 AM

Why is Washington DC and its Virginia and Maryland environs the most prosperous area of the nation? It's because that's where our highly paid "civil servants" live? How well paid? Check out this Cato@Liberty [post](#).

But don't complain. Think about all the crucial work these people do that makes our lives so, so much better.
